Self-Assessment (SAMs) Modules

RADIOLOGICAL SOCIETY OF NORTH AMERICA
105th Scientific Assembly and Annual Meeting

Meeting.RSNA.org
#RSNA19
Walk Through the Week

Sunday, Dec. 1, 2019

2:00–3:30 PM
Educational Courses
Advanced Muscle Imaging: State of the Art
Course RC104 ......................................... E450A
Practical and Advanced Spine Imaging
Course RC105 ......................................... N229
Bread and Butter Sinus Imaging: Telling Your Referrers What They Need to Know
Course RC106 ......................................... E451B

Monday, Dec. 2, 2019

8:30–10:00 AM
Educational Courses
Improving Patient Experience through Human Design Thinking (Sponsored by the RSNA Public Information Committee)
Course RC216 ......................................... S403B
Stereotactic Ablative Radiotherapy (SABR) for Oligometastases/Oligoprogression: A New Treatment Paradigm
Course RC220 ......................................... S401CD

Tuesday, Dec. 3, 2019

8:30–10:00 AM
Educational Courses
Quality Improvement Symposium: Staff Wellness and Development
Course MSQI31 ......................................... S402AB
10:30 AM–12:00 PM
Educational Courses
Quality Improvement Symposium: Patient-centered Care
Course MSQI32 ......................................... S402AB
1:30–3:00 PM
Educational Courses
Quality Improvement Symposium: Quality Program in Radiology
Course MSQI33 ......................................... S402AB

Accreditation and Designation Statements

The Radiological Society of North America (RSNA®) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The RSNA designates this live activity for a maximum of 94.00 **AMA PRA Category 1 Credits**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Commission on Accreditation of Medical Physics Education Program (CAMPEP) has approved the direct transfer of **AMA PRA Category 1 Credit**™ to MPCEC on a credit-for-credit basis for medical physicists.

Through an agreement between the American Medical Association and the Royal College of Physicians and Surgeons of Canada, physicians may convert **AMA PRA Category 1 Credits**™ to Royal College MOC credits.

Self-Assessment Modules [SAMs]

RSNA offers self-assessment modules qualified by the American Board of Radiology in meeting criteria for self-assessment toward fulfilling requirements in the ABR Maintenance of Certification Program. Participants can earn up to 1.50 SAM credits for each SAM course in addition to the **AMA PRA Category 1 Credit**™.

All courses designated for SAM credit at RSNA 2019 will require attendees to use their personal devices to complete the required test questions during the live session. To claim SAM credit, attendees must complete the required test questions during the live session and evaluate and claim CME for the SAM course. All SAM course credit from RSNA 2019 must be claimed before June 8, 2020.

Program information is subject to change. For the most up-to-date information, please use your Meeting App or visit Meeting.RSNA.org.
4:30–6:00 PM
Educational Courses
Neuroradiology: Small Tricks to Avoid Big Misses (Interactive Session)
Course RC405 ........................................ S406A
The Newly Diagnosed Cancer: Different Viewpoints
Course RC415 ........................................ E451A

Wednesday, Dec. 4, 2019

7:15–8:15 AM
Educational Courses
Hot Topic Session: Mass Casualty Incidents-When Disaster Strikes
Session SPSH40 ..................................... E451A

8:30–10:00 AM
Educational Courses
Emergency Ultrasound Pitfalls and Pearls
Course RC508 ..................................... E451B
Useful Applications of Gastrointestinal Tract Imaging
Course RC509 ..................................... S402AB
Ultrasound in the First Trimester of Pregnancy
Course RC510 ..................................... S401CD

Thursday, Dec. 5, 2019

7:15–8:15 AM
Educational Courses
Controversy Session: AI: Is it Ready for Your Practice
Session SPSC50 .................................... E351

8:30–10:00 AM
Educational Courses
Pulmonary Vascular Imaging
Course RC601 ..................................... S103CD
Abdominal Doppler: What You Need to Know
Course RC610 .................................... E351
Machine Learning and Radiomics in MRI
Course RC629 .................................... E451A

3:00–4:00 PM
Educational Courses
Hot Topic Session: Imaging of Traumatic Brain Injury-Present and Future
Session SPSH54 ..................................... E451A

4:30–6:00 PM
Educational Courses
Advanced Imaging of Arthritis
Course RC704 ..................................... S402AB
Second and Third Trimester Obstetrical Ultrasound
Course RC710 ..................................... S103CD

Friday, Dec. 6, 2019

8:30–10:00 AM
Educational Courses
Avulsion Injuries of the Upper and Lower Extremities
Course RC804 ..................................... E451B
Pediatric Neuroemergencies
Course RC813 ..................................... E451A
Radiology Benchmark: Productivity, Quality, and Compensation
Course RC832 ..................................... E353A
RESERVE YOUR RSNA 2020 HOTEL NOW

LET US HELP YOU
Stop by the Hotel Services Desk in the Grand Concourse, Level 3, for personal assistance.

RESERVE ONLINE
Visit RSNA.org/Hotel-Reservations on your personal device and at internet stations throughout McCormick Place.

Secure your 2020 hotel reservation today!
MORE SAVINGS — Save over 30% with exclusively discounted room rates through RSNA.
GREAT PERKS — Earn loyalty points from your preferred hotel.
BEST SELECTION — Get access to the best hotel room selections in downtown Chicago.

Don’t delay. Plan to explore Human Insight/Visionary Medicine with us in 2020.

Get the Very Best in Radiology Education

RSNA Spotlight Courses deliver the practical knowledge and insights you simply can’t find anywhere else in locations across the globe. Brought to you by radiology’s leading source for quality education.

Make your 2020 plans at RSNA.org/Spotlight
MAKE YOUR MARK IN RADIOLOGY

Share your expertise.
Advance your career.
Enhance your CV.
Submit to the new RSNA Case Collection.

Your case will help build an extensive education and point of care resource—offering access to the global radiology community.

All submissions are peer-reviewed and RSNA-vetted to provide a curated and trusted resource that aids in diagnosis.

Be among the first to submit a case. Submissions open January 2020. Cases.RSNA.org.
