

DISCLOSURE STATEMENTS

This index contains financial disclosure statements for RSNA 2016 faculty who have or have had an affiliation or financial relationship with any commercial interest within the previous 12 months or at the time the research was conducted.

The Accreditation Council for Continuing Medical Education (ACCME) requires that RSNA, as an accredited provider of continuing medical education, obtain signed disclosure statements from annual meeting faculty, including committee members, program planners, presenters, and authors. The intent of this policy is not to prevent an individual with a financial relationship from participating; however, in accordance with ACCME standards, RSNA has developed policies and procedures to manage identified conflicts of interest.

ACCME further requires that RSNA provide disclosure information to all attendees prior to the educational activity. Faculty who have or have had an affiliation or financial relationship with any commercial interest (within the previous 12 months or at the time the research was conducted) are noted with a star (★) after their names in the program book. Financial disclosure statements for these individuals are reported after each individual's name in the following index. All other faculty have indicated they have nothing to disclose.

BEYOND IMAGING
RSNA® 2016

DISCLOSURE STATEMENTS
